Information for new school starters at Walter Infant School in September 2017

This is for new Foundation 2 children, not those starting in Foundation 1 (pre-school)

Tuesday 20th June **Evening for New Parents at the school (please do not bring children). Current F1 parents whose child is moving to F2 are also invited. You will collect your child's Starting School pack at this evening.**

Children attending our F1 unit who will be moving to F2 in September have their own opportunities to meet their new teacher so the following visits do not apply to them. They also start back to school on Wednesday 6th September and do not have the staggered start described below for the new starters.

Monday 26th, Tuesday 27th and Wednesday 28th June

Visits for new starters to Foundation 2

Monday 3rd, Tuesday 4th and Wednesday 5th July

Second visits for new starters

Your child will be allocated two visits - one in the morning and one in the afternoon and one will be in the first week above, and one in the second week. We will inform you of your child's allocated times once we have the list of children coming to Walter. Parents do not stay for these visits.

You will also be offered a Home Visit when your child's teacher and another member of the Foundation team would visit you and your child. These will take place on 6th, 7th and 8th September and there will be a sign-up sheet for an appointment at the New Parents' Evening.

The new children will have a staggered start beginning the week of Monday 11th September. Your child will be given a starting school day during that week and the children start on a full-time basis immediately (unless you have opted for a part-time place). We take a few children in each day so that their teacher has plenty of opportunity to settle the new starters in and get to know them.
