

Walter Infant School

Information for Adults working in School and Parent Volunteers

As an adult working or volunteering in school it is important that we share with you the following information to ensure that we keep the children safe at all times.

- All adults must have a current DBS check that meets the requirements of Walter Infant School
- All adults should be aware of the following procedures for safeguarding:

Designated Safeguarding Lead: Judy Wheeler
Deputy Designated Safeguarding Lead: Fiona Prickett

If you have any worries about a child or young person who you feel is being ill-treated, abused or neglected you should speak with the School's Designated Safeguarding Lead or their Deputy in the first instance. If it is an immediate concern and they are unavailable, Children's Services should be contacted directly as children and their parents may need help urgently.

The WBC Referral and Assessment Team (Children's Safeguarding and Social Care Team) can be contacted by telephone or email on **0118 908 8002** or triage@wokingham.gov.uk
