

### **Walter Infant School – Taekwondo Club**

Dear Parents,

We will be moving into our last term sessions of Taekwondo with your children and looking forward to seeing each of them reach their final stage of this activity before leaving for Year 3.

Thank you all for your cooperation and commitment each week and it is a pleasure to teach your sons & daughters.

These last set of lessons will widen the knowledge and experiences with this martial art making them more developed students. The duration will be from April 23rd to July 2<sup>nd</sup>

There have however been some changes with the administration of the club within the school and I have now taken on these responsibilities until the end of the summer term.

One of the main changes is that the school now places a charge for the hire of the hall and therefore my prices will increase unfortunately, to reflect this.

The new price will be £5.75 per lesson (an increase of £1) which will be £57.50 for 10 lessons for the term.

I will also be the main contact for payments and bookings to which I have provided my bank details enclosed. You may wish to continue with cheques and cash too.

As I will also be responsible for communicating any changes to times or updates etc., please may I ask for an e-mail address as well as a mobile contact number so I can pass these on to you when required.

You may also leave your booking slips and monies with the school office and I will collect these from the start of the new term.

If you have any questions, please do not hesitate to contact me – my details are:

With best wishes
