

# Friday Flyer 2021

Dear Walter Families,

Today has been a day filled with fun; the children looked amazing in their Easter Bonnets and we made many more in school. Jack and Jake came in so that no one missed out on their PE lessons and we changed the lunch menu to Friday's as that is everyone's favourite day. Mrs Janes and Mrs Hemmings have become Easter Bunnies and we have all been enjoying the brighter weather! Please remember that school closes an hour earlier today for each year group:

**Year 2: 2:00 pm**

**Year 1: 2:05 pm**

**FS2: 2:10 pm**

**Robin: 2:15 and 2:30 pm**

Everyone in school has been learning about spring and have all become experts, so during the holidays I have a spring time challenge for you; can you spot these plants and animals when you are out and about in the fresh air over the break.

### Our Winners!

It was so hard to choose the winners as you can see from the photos above; however, below are the bonnets from each class. They are all very worthy champions.

### After School Clubs

We will be continuing running Energy Kidz as our after school provision permanently; it has proven to be very successful. The children love it and the caregivers are very kind, good fun and professional. There are plenty of spaces available; if you would like more information please contact [info@energy-kidz.co.uk](mailto:info@energy-kidz.co.uk) We are also running our wonderful Rise and Shine Club from 7:30 -8:40 am each day. If you would like to book a place, please contact Mrs Day on [finance@walter.wokingham.sch.uk](mailto:finance@walter.wokingham.sch.uk)

We have booked our Spanish Club from the beginning of the summer term for Year 1 and Year 2 children; if you would like your child to be considered for a place, please email Mrs Hemmings or Mrs Janes on [admin@walter.wokingham.sch.uk](mailto:admin@walter.wokingham.sch.uk)

### Easter Egg Donations

### EASTER EGG DONATIONS FROM ONE FAMILY TO ANOTHER

We have been completely overwhelmed by your incredible kindness and generosity; we have received so many donations from you that we can fulfil all the requests made as well as sharing eggs with our most vulnerable families and all of their siblings, older and younger! We have also been able to provide a treat for our children who have suffered emotionally during lockdown and have found returning to school very hard. Hopefully receiving a gift at Easter will be a lovely positive experience for them. We cannot thank you all enough.

### Lateral Flow Tests

All families with school age children can apply for lateral flow tests, these are the tests that all of our staff are completing twice a week. If you wish to have this option: please follow this link. <https://www.gov.uk/government/news/all-households-with-children-of-school-aged-to-get-rapid-covid-19-tests-per-person-per-week>

This is NOT a requirement for your child to come to school.

### Absence and isolation

If you travel abroad (even though travel is prohibited), please ensure you isolate on your return. You will need to isolate for 10 days – we will be able to provide home schooling for the isolation period.

**And finally....**

Have a wonderful holiday; enjoy seeing your friends and family but remember to keep safe.

See you all on Monday 19<sup>th</sup> April 2021 at your usual start times.

Best wishes
