

Home Learning w/b 29.11.21

This week in literacy we will be reading the story of 'Stickman' and listening to the rhyming words in the story.

The children finding matching rhyming pairs and having a go at writing the words (cat/hat, dog/log, hen/pen).

In maths we will be sorting different sized sticks by length – this could be done at home using different toys and using size words to describe.

You will be able to access reading books via our Walter Reading Hub (Big Cat Collins) using your login as well as educational games on Education City.

Here are some ideas linked to our topic:

- Playdough stickmen
- Stickman painting
- Season pictures
- Retelling the story
