

Dear Parent or Guardian,

iRock are now booking places at your child's school!

Children can choose to learn the electric guitar, drums, keyboard or vocals by joining their very own rock band. iRock makes learning music fun for every child while also aiding other important skills such as confidence and team work.

How it works:

- Choose to play either the Drums, Electric Guitar, Keyboard or Vocals.
- Lessons are convenient for parents as they run during school hours with iRock providing all the instruments and equipment.
- Weekly 30-minute group rehearsals lead by real musicians. Lessons are available to children aged between 4 and 11 with no prior experience needed.
- See what your child has achieved at our end of term concerts. A chance for everyone at iRock to showcase what they have learnt and have the full rock band experience!

Learning an instrument is a lot more rewarding when you get to play in a band beside your friends. Weekly sessions run during term time for a monthly subscription of just £29.99 per month excluding August with no minimum sign up period.

To book your child's place please visit **www.irockschool.com**, email us on **info@irockschool.com** or call us on **0800 634 9310**. Please note some instrument spaces are limited and places will be given on a first come first serve basis.

Kind regards,

Josh Franklin
Head of School
