

Walter Infant School
Taekwondo Club

Dear Parents,

Thank you for supporting and allowing your child to attend my Taekwondo lessons over the last 10 weeks.

I hope they enjoyed it and learnt something new from this style of Martial Art.

Having achieved the Initial Beginners Level, I would like to offer a further programme next term and invite them to complete the next stages of Taekwondo. These will expand their knowledge with a new set of skills.

Places will again be available from me via the form below, my email or the school website as before.

I hope they will continue with this activity and look forward to welcoming them back.

**The timetable will be from January 7th to March 18th.
Please let me know w/c January 1st or before for a placement.**

If you are interested too, I am still able to offer Taekwondo suits for students to assist with the movements and abilities of learning.

These will cost £20 and are available from me – please use the order form below if required.

Any further information about my classes either at Walter Infant or Winnersh, where I teach on Saturdays and Mondays, please do not hesitate to contact me. My details are below.

Wishing you a very Merry Christmas & New Year

With best wishes

Nick Colgate (4th Dan Black Belt) Instructor

2019 SPRING Term TAEKWONDO Activity
