Dear Parents and Carers,

At Walter Infant School and Nursery, we have access to several online resources that we use in school. I thought it might useful to inform you of some of these and how to access them.

Purple Mash

Purple Mash is an online tool that has many different resources, activities and programs. The children use this site often to do many things. It should work on most tablets and home computers.

Year One access:	Username: y1	Password: y1
Year Two access:	Username: y2	Password: y2

PhonicsPlay

We use an online resource called PhonicsPlay. Some of the content you may have to pay a subscription for; however, most of the site is free. The games that we enjoy and find the most useful are Buried Treasure, Picnic on Pluto and Dragon's Den.

Education City

Also, we have access to Education City. However, this requires a unique username and password. These have been sent home and most children have stuck these into their reading records or spelling books. If you do not have a username and password please speak to your child's class teacher or contact the office.
